Recap

Jason R. Clark for Governor of Colorado!

Review

I have decided to run for Governor of Colorado as an Independent candidate. I am truly an Independent thinker, and do not fall into the political party system created by the Republicans or the Democrats. I need all the help that I can get, hence, the mass email. I can assure each and every recipient that this email database will not be used to be divisive politically, partisan in any way, or stray from the original intent and purpose of providing free, accurate, and impartial investment advice to subscribers.

What To Do

I have decided to launch a campaign to run for Governor of Colorado as an Independent. Everyone knows how passionate I am about Colorado and America. I can no longer sit idly by witnessing the massive spending, budget deficits, unsustainable debt levels, and incorrect business decisions of Colorado's so called leaders. I need your help!! Please send this message to everyone you know - Republican, Democrat, Independent, and ask them to please review my web site, www.jasonclarkforgovernor.com, to read firsthand what my solutions for the state of Colorado are. Sign up on the mailing list, get involved, participate in any way you can, send a donation \$5, \$10, \$20, \$100 (\$525 maximum per person). I will be making an official public announcement on Wednesday March 31 @ 11am at the now closed Mission Viejo library in Aurora, CO. Please attend, pass the word, and Stay Positive! Think Positive!! Act Positive!!! Be Positive!!!!

Lastly, please know this, I am in this race to win it. We can do better Colorado! We can we will we must do better for all Coloradans!!

Thank You, Jason R. Clark
