

Dear Friends,

On Saturday September 26th through October 3rd I will be participating in an exciting mission's trip to Nicaragua. I will be traveling with 11 other men from church and teaming up with some local missionaries in Managua.

Nicaragua is the second poorest country in Latin America after Haiti. The first couple of days we will be serving in the dumps of Managua, Nicaragua where over 1,500 families live and survive on the daily trash that is hauled in by the city trash trucks. Girls as young as 11 years old sell their bodies to the truck drivers so they can have first pick of the daily trash. Imagine living your whole life in a dump. It's a life with no future...no security...no hope. Doesn't seem real but unless we act and do something about it this is the only life these children will ever know. It is our goal to develop an orphanage outside the dump where the children can get an education, learn a trade, and grow up with an awareness of God's love for them. The remainder of the week we will fly to the eastern side of Nicaragua to Puerto Cabezas which is located just off the Caribbean Sea. In Puerto Cabezas we will rebuild and orphanage that is need of repairs due to hurricane damage.

I am asking for your prayer for the entire trip. By praying for my safety you are actually helping spread the love of God to the hundreds of homeless children living in such oppression. In addition to prayer I would like to ask you to partner with me by helping the team raise \$6,000 for construction materials. ***If God places it on your heart to help, please make out your check in any amount to Cherry Hills Community Church and mail it to me. Please write Nicaragua September 2009 in the memo line.***

Thanks for your friendship and continued prayer support.

Love your friend,

Yes, I will pray for your trip and contribute \$ _____ towards the building supplies for the orphanage.

Name _____

***Please return your financial support to me by September 18.
Your gift is 100% tax deductible.***
